Customer Reviews

Truth Be Told... A very accurate and stunning deck to own and use! The artistry has a wonderful balance of color, contrast, and symbolism that is both appealing and meditative. It is not overly human nor animal because it contains the energies and attributes of both life forms. Spirit's face is in each card, reminding us that Spirit is always present no matter where we are or what situation we find ourselves. The Guidebook is just a little over 200 pages, more than usual because the author went to great lengths to fully explain each card. As mentioned, there are over 250 independent meanings! I applaud her in the ability to narrow these messages down to 52 cards as she was guided to do. Reverse cards are encouraged because it will reveal the "Protection Message", these aren't negative messages. On the contrary, these messages from Spirit will assist in revealing thought patterns, beliefs, or behaviors that could be blocking or self-sabotaging. Each card will have: 1) Essential Meaning 2) The Oracle's Message 3) Relationship Message 4) Prosperity

Message5) Protection Message (Reversal cards)The Guidebook also includes information pertaining to the importance of phrasing questions the correct way, a cautionary note on oracle abuse, preparation before readings, spreads, and examples. This is a well written book and a little thicker than many other guidebooks written in the past. I would love to see a larger, full color, and expanded book in the future.I've been doing readings for almost 30 years, own a variety of oracle and tarot cards, including those of Colette Baron-Reid. I can tell she & Jena DellaGrottaglia put in a great deal of thought, effort, time, & energy into this deck.
