Numerología Con Tantra, Ayurveda Y Astrología

Synopsis

For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, revealing the esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. • Explains how your personal numbers relate to every aspect of life--including personality, temperment, intelligence, talents, sexuality, spirituality, finances, travel, and health. • This is the first Spanish-language edition of this popular book.

Facil de leer y de poner en practica, sobre todo si te gusta la aritmetica simple. El enfasis esta en los numeros naturales del 1 al 9, ya que el [o] cero no se considera un numero. Al reducir todo a numeros nos encontramos con los numeros del alma, del destino, etc. los cuales pueden darnos la direccion general de nuestra existencia. Para ahondar en estas tecnica requiere mas que un libro, un Maestro de carne y hueso, ademas de una buena dosis de paciencia y unas dos de observacion. Mejor aun si ya sabes astrologia, lo puedes entender y llevar a la practica sin complicaciones.

Good book. I recommend it.

Excelente el libro, estoy muy conforme con el servicio prestado por . gracias

Very good.
