Anne Of Avonlea (Anne Of Green Gables)

Synopsis

A "kindred spirit" of readers around the world At sixteen, Anne is both exhilarated and slightly terrified to be teaching at the Avonlea schoolhouse. But she's determined to win the heart of every student--especially troublemaker Anthony Pye. After all, she still knows a thing or two about troublemaking herself... With rambunctious six-year-old twins staying at Green Gables, a village "improvement" project that goes disastrously wrong, and her college entrance exams to study for, Anne will more than have her hands full. At least her best friend Diana and tormentor-turned-ally, the dashing Gilbert Blythe, will be there to help see her through. Inspiring the dreamer in all of us, Anne is hailed as a favorite by everyone from Mark Twain to Duchess Kate. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter.

Customer Reviews

The ANNE OF GREEN GABLES series is one of the most unforgettable, and one of the most enjoyable, series of all children's literature. This series chronicles the life and times of Anne Shirley. Anne Shirley is the plucky, imaginative, red-haired orphan. Her parents die when she is baby, and so she spends the first 11 years of her life going between homes and orphanages, with no one really wanting to keep or to love her. By a mistake, she is brought to Avonlea--instead of a boy--to be adopted by Matthew and Marilla Cuthbert, a pair of farmers who never thought they would be raising a girl in their old age. You may want to skip this next part of my review, because I

am going to sum up each book briefly. No plot spoilers will be revealed, but some of the contents will, and if you haven't read all the books, then maybe you don't want the content revealed ahead of time. *ANNE OF GREEN GABLES* covers a span of Anne's first 5 years in Avonlea. She will age from 11 to 16. Her immortal antics that have made this book so beloved include her rivalry with Gilbert Blythe, dyeing her hair, and falling off of Mrs. Barry's roof... *ANNE OF AVONLEA* spans two years. Anne is 18 at the novel's finish. She has become a teacher. Marilla adopts twins. Also, Anne has some more humorous and immortal moments. *ANNE OF THE ISLAND* spans 4 years--Anne college years at Redmond. She will be 22 at the end of the novel. Anne discovers the real meaning of romance and love and courtship in this novel. *ANNE OF WINDY POPLARS* also known as *ANNE OF WINDY WILLOWS* covers the 3 years of Anne's engagement to Gilbert. She is a Principle at Summerside High School where she has to deal with the Pringle clan, Katherine Brooke, and plenty of other interesting folks.
