God's Day Timer: The Believer's Guide To Divine Appointments

Synopsis

Are you ready to go on the most thrilling adventure of your life? God loves to play hide and seek, and for those who search for him with all their hearts, he makes himself known. God's Day Timer provides the biblical keys that unlock hidden treasures just waiting to be discovered. Author, teacher, and pastor Mark Biltz offers tremendous insight into being in touch with God. In Genesis, the Hebrew word for seasons is translated in Leviticus as feasts. A better translation is divine appointments. God tells us that the sun and the moon are to be used to determine when the divine appointments occur, which is critical to understanding when God will intersect human history. In God's Day Timer, Pastor Biltz breaks down the divine appointments, or seven feasts of the Lord, to make it easy to understand for beginners and explains how to keep the Sabbath and get on God's schedule to better understand His timing and the signs of the coming events. Discover the importance of keeping the Passover and Yom Kippur among the other feasts. Learn how to perform a weekly Shabbat. Find out the various steps of administering a Seder dinner. Realize why it is vital for Christian believers to be on the biblical calendar. God's Day Timer takes you on a journey that will unlock treasure chests full of golden insights. Sit back, put on your 3-D Bible glasses and come on an adventure that will radically change your life.

Best Sellers Rank: #7 in Books > Christian Books & Bibles > Christian Denominations & Sects > Messianic Judaism #80 in Books > Religion & Spirituality > Other Religions, Practices & Sacred Texts #166 in Books > Audible Audiobooks > Religion & Spirituality > Christianity

Customer Reviews

How often do you get an opportunity to read a book where the author's love for a subject sparks your own enthusiasm to such a degree that you find each page a wonderful journey of discovery?

Well, I just finished Mark Biltz's new book God's Day Timer and I found it to be such an adventure. Taken from the pages of the Bible and enriched with a historical Jewish context, Mr. Biltz brings the Bible's calendar alive as seen through the Biblical holy day festivals of: Passover • Unleavened Bread • Firstfruits • Shavout (Pentecost) • Trumpets • Yom Kippur • Tabernacles. In wonderful detail, Mr. Biltz shows how these holy days are built upon a Biblical reckoning of time as defined by cycles of the sun and moon. You'll be thrilled as Mr. Biltz explains how the divinely appointed spring holy days of Passover, Unleavened Bread, and Firstfruits are evidence for the accuracy of the Bible concerning the Messiah Yeshua's first coming. Building upon this compelling evidence Biltz goes to show how the fall festivals of Trumpets, Yom Kippur, and Tabernacles provide a template or rehearsal, if you will, of prophetic events related to the Messiah Yeshua's second coming at the end of this age. I will say I did note that Mr. Biltz seems to be a bit feistier in this book. Those looking to pin labels like "date setter" or "legalism" will find that Biltz doesn't let those labels go unanswered. In chapter 4, Biltz also answers other objections which are often raised by those who reject the relevance of the Bible's calendar to Christians today. The book is composed of 8 chapters which include: 1. The Biblical Calendar 2. Passover: The Lamb Slain from the Foundation of the World 3.
