The book is a great read and provides the foundation for understanding Rastafari if one has no understanding at all. It touches on situations that all Races across the world deal with, day in and day out..Empress Yuajah is a true Empress full of wisdom and strength and it manifests through her work. This is a must buy for anyone interested in Black spirituality and purification. Jah Bless, Love..

This book was very comprehensive. the author gave good reasons for thw why of things in rastafari life. I loved it.

another great rastafarian book that i love! love the author, and came on time and great condition and awesome price!

So 1/3rd of the book includes a speech from MalcomX, Martin Luther King, and Selassie. This book also contains many verses from the bible. I am just letting you know that you do not receive much writing from the author. But over all this is a good book.
