Customer Reviews

An earlier edition of this reference book was the text used by my pre-licensing instructor. Now that I'm licensed, I still keep an updated version on my reference bookshelf. It is simply a must have resource for any agent who dares to practice real estate in today's ever-more complex regulatory environment. I buy an updated copy at least every three years. In a profession which even the National Association of REALTORS® says is hobbled by incompetence and unethical behavior, "Modern Real Estate Practice" is a guiding light.

purchased a "like new" copy and saved on the new price.

Very informative, especially if you are wanting to learn, not just to pass a test. The audio portion was very nice to listen to.

It's the industry standard so it is very important to work from this book. Lots of supplemental materials available as well.

The book was written very well and helped me to pass my real estate brokers exam. I would highly recommend this book.

I needed this book for a real estate class I am taking it has everything I need to know and got here quickly.

Was not expecting for my book to come with all kinds of scribbles and highlights everywhere.
