This was just perfect for the for the beginner sewer.... My grandchild was delighted that she had something to show her mother.... A hot pad. ... One the many projects that are easy and fun at the same time..you have to keep their attention... This does the trick

I'm looking forward to creating beautiful quilts with my daughters. This book is clearly written and has fun beginning projects to introduce young beginning sewers to the wonderful world of quilting!

Fun teaching tool to help you teach your little one to sew. Nice little doable projects.

This book looks like it should be useful when I teach my granddaughter beginning sewing.
