Divergent (Divergent Series)

Synopsis

This first book in Veronica Roth's #1 *New York Times* bestselling *Divergent* trilogy is the novel that inspired the major motion picture starring Shailene Woodley, Theo James, and Kate Winslet. This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers. Perfect for fans of the *Hunger Games* and *Maze Runner* series, *Divergent* and its sequels, *Insurgent* and *Allegiant* "plus *Four: A Divergent Collection*, four stories told from the perspective of the character Tobias "are the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. Fans of the *Divergent* movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich language. The paperback edition includes bonus materials created by Veronica Roth, including her essays on Utopian worlds and how she named the factions, writing tips, a Q&A, a *Divergent* playlist, faction manifestos, and an excerpt from *Insurgent*. "One choice can transform you." Beatrice Prior's society is divided into five factions "Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, "what makes you different makes you dangerous. Supports the Common Core State Standards

Customer Reviews

First Impressions: I had been looking forward to reading *Insurgent* ever since I finished reading *Divergent* (for the millionth time) last year. One morning I woke up and before I even had my morning coffee, I heard a nice thud outside of my front door. I kind of feel like there should have been fireworks and confetti when I opened up the package and laid my hands on my pretty proof of *Insurgent*. I hugged it. I stroked the cover, and it gained its place at the top of my review pile. My precious..... If you haven't already read *Divergent*, you need to go get a copy NOW! You are missing out on reading an amazing trilogy and trust me; you don't want to miss these books.

First 50 Pages: The beginning of *Insurgent* picks up right where *Divergent* left off, luckily. I was hoping there wouldn't be any gaps in time between the first book and the second, and there wasn't. I was also worried that *Insurgent* would suffer from Sophomore Slump, but it didn't. In fact, I think I enjoyed *Insurgent* more than I did *Divergent* because this book has a ton of action and more character development. However, the world-building in both books is phenomenal. I would love to know how Veronica Roth comes up with the things that she does, because even though this world she dreamed up is crazy (and awesome), it never seems too far-fetched. The Young Adult market is so flooded with dystopian novels right now that aren't plausible, with the exception of a select few, including the *Divergent/Insurgent* novels.

Characters & Plot: I'll do my best to keep this part as spoiler-free as possible so I don't ruin anything for anyone, but there might be some minor spoilers, so readers beware. Like I stated above, *Insurgent* picks up right where *Divergent* left off.
